A. Program Description

Notice of Funding Opportunity Intent

The Illinois Department of Commerce and Economic Opportunity (the “Department” or “DCEO”) is issuing this Notice of Funding Opportunity (“NOFO”) to seeks to promote bioprocessing in Illinois by providing assistance with the infrastructure and capital equipment necessary to expand bioprocessing training and research capacity in the state.

Program Description

As the biomanufacturing market continues to grow, with continued investments and expansions in infrastructure, Illinois has the existing industry, feed stock, and talented workforce to be a global leader in this market. This program will further solidify Illinois' leadership with investments in world-class pilot scale infrastructure and by providing equitable and affordable access to the industry's equipment to students.

The purpose of this program is to invest in capital projects that increase bioprocessing company development in Illinois, increase undergraduate student training opportunities in bioprocessing in Illinois, and increase training opportunities for existing industry workers in bioprocessing in Illinois.

Program History

This is the second round of funding made available under the Department's Bioprocessing Research Infrastructure Program.

Performance Goals and Measures

Award recipients will be required to report quarterly on the following details:

1. Number of bioprocessing company project engagements per year.
2. Number of undergraduate students training with equipment per year.
3. Number of course offerings for industry employees at supported facility per year.
4. Completion of key construction milestones/deliverables.

B. Funding Information

This grant program is utilizing state funds appropriated by Public Act 104-0003. Total amount of funding expected to be awarded through this NOFO is \$7,700,000. Awards will range from \$100,000 to \$7,700,000. The Department expects to make 1 award through this NOFO.

The period of performance is expected to be February 1, 2026 through February 1, 2028.

Eligible projects may only include capital costs.

Funding provided through this program originates from Rebuild Illinois capital funds, which are subject to Bondability Guidelines (see guidelines at the same webpage where this NOFO is posted).

Eligible expenses for Rebuild Illinois Capital funds include:

- architectural planning and engineering design;
- land and building acquisition;
- costs related to site selection, preparation, and improvement;
- utility work;
- new construction of buildings and structures;
- reconstruction or improvement of existing buildings or structures; and
- original furnishings and durable equipment, including scientific instruments and apparatuses with a long useful life.

The release of this NOFO does not obligate the Department to make an award.

C. Eligibility Information

An entity must be registered in the Grant Accountability and Transparency Act (GATA) Grantee Portal, <https://grants.illinois.gov/portal/>, at the time of grant application. The portal will verify that the entity:

- Has a valid FEIN number (<https://www.irs.gov/businesses/small-businesses-self-employed/get-an-employer-identification-number>)
- Has a current SAM.gov registration (<https://sam.gov>). SAM.gov registrations must be marked as "public" to allow the GATA Grantee Portal to expedite the review of the federal information;
- Has a valid UEI number (<https://sam.gov>)
- Is not on the Federal Excluded Parties List (verified at <https://sam.gov>)
- Is in Good Standing with the Illinois Secretary of State, as applicable (https://www.ilsos.gov/departments/business_services/corp.html)
- Is not on the Illinois Stop Payment list (verified once entity is registered in GATA Grantee Portal); and
- Is not on the Department of Healthcare and Family Services Provider Sanctions list (<https://www.illinois.gov/hfs/oig/Pages/SanctionsList.aspx>)

Entities on the Illinois Stop Payment List and/or the Federal Excluded Parties List at time of application submission will not be considered for an award.

An automated email notification to the entity alerts them of "qualified" status or informs how to remediate a negative verification (e.g., not in good standing with the Secretary of State). A federal Debarred and Suspended status cannot be remediated.

At this time, federal memo M-21-20 allows entities to apply for grant awards without a valid UEI number. The UEI number must be obtained prior to grant execution. The State of Illinois has adopted this guidance for the issuance of state awards also.

Pursuant to the policy of the Illinois Office of the Comptroller, to receive grant funds from the State of Illinois, a grantee must be considered a regarded entity by the IRS for federal income tax purposes. Disregarded entities will not be eligible to receive grant funds.

1. Eligible Applicants include:

- Educational Organizations
- Non-profit Organizations

NOFO ID: 3447-4220

Eligible entities include eligible applicants that also meet the following guidelines:

- Proposed project must have been previously designated as a Technology Hub by the U.S. Economic Development Administration's Regional Technology and Innovation Hubs (Tech Hubs) program.
- Applicant must be located in DCEO's East Central economic development region.

The Department complies with all applicable provisions of state and federal laws and regulations pertaining to nondiscrimination, sexual harassment and equal employment opportunity including, but not limited to: The Illinois Human Rights Act (775 ILCS 5/1-101 et seq.), The Public Works Employment Discrimination Act (775 ILCS 10/1 et seq.), The United States Civil Rights Act of 1964 (as amended) (42 USC 2000a-and 2000H-6), Section 504 of the Rehabilitation Act of 1973 (29 USC 794), The Americans with Disabilities Act of 1990 (42 USC 12101 et seq.), and The Age Discrimination Act (42 USC 6101 et seq.).

2. Cost Sharing or Matching.

Cost sharing or matching is not required for this opportunity.

3. Indirect Cost Rate.

This grant opportunity is limited to capital improvement expenses. The grant will not compensate for indirect costs, overhead or administrative expenses associated with the execution of the program.

4. Freedom of Information Act/Confidential Information.

Applications and accompanying materials are subject to disclosure in response to requests received under provisions of the Freedom of Information Act (5 ILCS 140/1 et seq.). Information that could be proprietary, privileged, or confidential commercial or financial information should be clearly identified as such in the application materials. The Department will maintain the confidentiality of that information only to the extent permitted by law.

5. Other, if applicable.

Applicants may submit 1 application for this opportunity.

D. Application and Submission Information

1. Address to Request Application Package.

Grant application forms are available at the web link provided in the "Grant Application Link" field of this announcement or by contacting the Program Manager:

 - Mandatory Disclosure must be signed by the authorized signatory before submission
 - Can be printed, signed, and scanned
 - Can be signed digitally

This Notice of Funding Opportunity also requires the submission of the following other programmatic specific items as part of a program application:

- Program Application

Please note there is a maximum upload of 10 documents in the web form that you submit the application, so combining files may be necessary.

3. Unique Entity Identifier (UEI) and System for Award Management (SAM)

Each applicant (unless the applicant is an individual or Federal or State awarding agency that is exempt from those requirements under 2 CFR 25.110(b) or (c), or has an exception approved by the Federal or State awarding agency under 2 CFR 25.110(d)) is required to:

- (i) Be registered in SAM. To establish a SAM registration, go to <https://sam.gov> and/or utilize this instructional link: How to Register in SAM from the [gata.illinois.gov](#) Resource Library tab. SAM.gov registrations must be “public.”
- (ii) Provide a valid UEI number in the GATA Grantee Portal registration.
- (iii) Continue to maintain an active SAM registration with current information at all times during which it has an active Federal, Federal pass-through or State award or an application or plan under consideration by a Federal or State awarding agency. The State awarding agency may not make a Federal pass-through or State award to an applicant until the applicant has complied with all applicable UEI and SAM requirements and, if an applicant has not fully complied with the requirements by the time the State awarding agency is ready to make a Federal pass-through or State award, the State awarding agency may determine that the applicant is not qualified to receive a Federal pass-through or State award and use that determination as a basis for making a Federal pass-through or State award to another applicant.

4. Submission Dates and Times.

Applications for this opportunity must be submitted by February 16th 2026 at 5:00 PM.

Application materials must be submitted to the Department via electronic form at <https://app.smartsheet.com/b/form/56f73ae8b2794ee896ff0791dc96b370>.

The Department is under no obligation to review applications that do not comply with the above requirements. Failure to meet the application deadline may result in the Department returning application without review or may preclude the Department from making the award.

5. Intergovernmental Review, if applicable.

N/A

6. Funding Restrictions.

This opportunity does not allow reimbursement of pre-award costs. Other restrictions can be found in Sections A., B., and C.

7. Other Submission Requirements.

The applicant can receive a copy of their submitted application by checking the “Send me a copy of my responses” box at the bottom of the application submission form.

Applicants may confirm receipt of the application and documents by contacting the program contact listed in this NOFO.

E. Application Review Information.

1. Criteria.

Grant proposals will be reviewed on a competitive basis. Each proposal will be scored on a 100-point scale (or on a percentage scale). The Department shall consider the following criteria when evaluating the application submittal: Need, Capacity, and Quality.

Need (35 points) - Identification of stakeholders, facts, and evidence that demonstrate the proposal supports the grant program's purpose	
Applicant demonstrates that the project will likely not occur, or the applicant would need to reduce the scope of the proposal without Department support.	15
The project is located in, or its impacts will be concentrated in, an underserved area or low-income community.	20
Capacity (40 points) - The ability of the applicant to execute the project according to requirements of the grant program	
Applicant demonstrates that the applicant and any necessary partners are committed to the project.	20

Applicant demonstrates that the applicant and any necessary partners have the experience, knowledge, and expertise required to successfully complete the project.	20
Quality (25 points) - The totality of features and characteristics of the project that indicate its ability to satisfy the requirements of the grant program	
<p>The project is clearly aligned with one or more of the State's economic goals, as laid out in the five-year economic plan:</p> <ul style="list-style-type: none">• to Focus on High Growth Sectors and Continue Overall Business Climate Improvements• to Advance Comprehensive Economic Development Efforts for Business Growth and Attraction.• to Promote Equitable Growth by Empowering Workers, Entrepreneurs and Communities• to Build Out the New Clean Energy Economy	10
The project has the potential to have a significant and durable impact on economic development in Illinois. Examples for factors that will be considered include the quantity and quality of projected outcomes (e.g., training events hosted, people in Illinois trained, etc.); significant impact on underserved populations or communities.	15

2. Review and Selection Process.

Applications will be graded using the Merit Review Process and scored on the criteria specified in Section E.1. The Department will designate an Evaluation Committee to grade each application received for this funding opportunity. The final score of each Committee member will be calculated and an average of all scores will be the final applicant score. Grants will be awarded. Within 30 days of the application closing, the Evaluation Committee will meet to review applications. The applicant with the highest merit review score will receive a recommendation for an award. After recommendations have been made, grants will be awarded in order from highest score to lowest score until funding is exhausted.

The Merit Based Review process is subject to appeal per <https://dceo.illinois.gov/aboutdceo/grantopportunities/meritappreview.html>. However, competitive grant appeals are limited to the evaluation process. Evaluation scores may not be protested. Only the evaluation process is subject to appeal. The appeal must be submitted through the merit review appeal request form (<https://app.smartsheet.com/b/form/6444bed39ef140c589f002f53b9bc092>) within 14 calendar days after the date that the grant award notice has been published.

3. Anticipated Announcement and State Award Dates, if applicable.

After the application period is closed, the Department will conduct a merit review of eligible applications. Successful applicants will receive a Notice of State Award (NOSA) to initiate the grant agreement phase. During this phase, you will be contacted by a grant manager to develop a

grant agreement, which can be a months long process depending on complexity, cooperation, and conformity with all applicable federal and state laws.

The Department reserves the right to issue a reduced award, or not to issue any award.

F. Award Administration Information

1. State Award Notices.

The Notice of State Award (NOSA) will specify the funding terms and specific conditions resulting from the pre-award risk assessments and the merit review process. The NOSA must be accepted in the GATA Portal by an authorized representative of the grantee organization. The NOSA is not an authorization to begin performance or incur costs.

2. Administrative and National Policy Requirements.

Subrecipients and Subcontractors: Agreement(s) and budget(s) with subrecipients and subcontractors must be pre-approved by and on file with DCEO. Agreements can be submitted to DCEO when available. Subcontractors and subrecipients are subject to all applicable provisions of the Agreement(s) executed between DCEO and the grantee. The successful applicant shall retain sole responsibility for the performance of its subrecipient(s) and/or subcontractor(s).

Grant Uniform Requirements: The Grant Accountability and Transparency Act (30 ILCS 708/1 *et seq.*) (and its related administrative rules, 44 Ill. Admin. Code Part 7000), was enacted to increase the accountability and transparency in the use of grant funds from whatever source and to reduce administrative burdens on both State agencies and grantees by adopting federal guidance and regulations applicable to those grant funds; specifically, the Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards (2 CFR 200).

Procurement: Grantees will be required to adhere to methods of procurement per the Procurement Standards (2 CFR 200.317 – 2 CFR 200.327).

Business Enterprise Program: For grant awards of \$250,000 or more, grantees will be required to comply with the Business Enterprise Program for Minorities, Females, and Persons with Disabilities Act (30 ILCS 575/0.01 *et seq.*), which establishes a goal for contracting with businesses that have been certified as owned and controlled by persons who are minority, female or who have disabilities. The Department will work with the grantees to ensure compliance prior to the establishment of the grant agreement as well as through the life of the grant.

Environmental Review Requirements: Capital grants will be reviewed to determine environmental review requirements. Based on the scope of the project, the grantees may be required to complete additional environmental approvals before a grant agreement can be initiated.

Illinois Works Jobs Program Act (30 ILCS 559/20-1 *et seq.*): For grants with an estimated total project cost of \$500,000 or more, the grantee will be required to comply with the Illinois Works Apprenticeship Initiative (30 ILCS 559/20-20 to 20-25) and all applicable administrative rules. The “estimated total project cost” is a good faith approximation of the costs of an entire project being paid for in whole or in part by appropriated capital funds to construct a public work. The goal of the Illinois Apprenticeship Initiative is that apprentices will perform either 10% of the total labor hours actually worked in each prevailing wage classification or 10% of the estimated labor hours in each prevailing wage classification, whichever is less. Grantees will be permitted to seek from the Department a waiver or reduction of this goal in certain circumstances pursuant to 30 ILCS

559/20-20(b). The grantee must ensure compliance for the life of the entire project, including during the term of the grant and after the term ends, if applicable, and will be required to report on and certify its compliance.

Prevailing Wage Act (820 ILCS 130/0.01 et seq.): Applicants that are awarded grants shall comply with all requirements of the Prevailing Wage Act, including but not limited to, inserting into all contracts for construction a stipulation to the effect that not less than the prevailing rate of wages as applicable to the project shall be paid to all laborers, workers, and mechanics performing work under the award and requiring all bonds of contractors to include a provision as will guarantee the faithful performance of such prevailing wage clause as provided by contract. Grantees will be required to report on Prevailing Wage Act compliance on a monthly basis.

Employment of Illinois Workers on Public Works Act (30 ILCS 570/0.01 et seq.): All grantees will be required to comply with the Employment of Illinois Workers on Public Works Act (30 ILCS 570/0.01 et seq.) (the “Act”), which provides that whenever there is a period of excessive unemployment in Illinois (as defined by the Act), if the Grantee is using Grant Funds for (1) constructing or building any public works, or (2) performing the clean-up and on-site disposal of hazardous waste for the State of Illinois or any political subdivision of the State, then the Grantee shall employ at least 90% Illinois laborers on such project. Illinois laborers refers to any person who has resided in Illinois for at least 30 days and intends to become or remain an Illinois resident. Grantees may receive an exception from this requirement by submitting a request and supporting documents certifying that Illinois laborers are either not available, or are incapable of performing the particular type of work involved. The certification must: (a) be submitted to the grant manager within the first quarter of the Award Term; (b) provide sufficient support that demonstrates the exception is met; (c) be signed by an authorized signatory of the Grantee; and (d) be approved by DCEO in consultation with the Illinois Department of Labor. In addition, every contractor on a public works project or improvement or hazardous waste clean-up and on-site disposal project in this State may place on such work no more than 3 (or 6 in the case of a hazardous waste clean-up and on-site disposal project) of the contractor’s regularly employed non-resident executive and technical experts.

3. Reporting.

Periodic Performance Report (PPR) and Periodic Financial Report (PFR)

Grantees funded through this NOFO are required to submit in the format required by the Grantor, at least on a quarterly basis, the PPR and PFR electronically to their assigned grant manager. The first of such reports shall cover the first three months after the award begins. Pursuant to 2 CFR 200.328, Periodic Financial Reports shall be submitted no later than 30 calendar days following the period covered by the report. Pursuant to 2 CFR 200.329, Periodic Performance Reports shall be submitted no later than 30 calendar days following the period covered by the report. Any additional reporting requirements will be disclosed in the NOSA. Grantees are required within 45 calendar days following the end of the period of performance to submit a final closeout report in the format required by the Grantor (See 2 CFR 200.344).

Monitoring

Grantees funded through this NOFO are subject to fiscal and programmatic monitoring visits by the Department in accordance with 2 CFR 200.337. They must have an open-door policy allowing periodic visits by Department monitors to evaluate the progress of the project and provide documentation upon request of the monitor. Program staff will also maintain contact with participants and monitor progress and performance of the contracts. The Department may modify grants based on performance.

Audit

NOFO ID: 3447-4220

Grantees shall be subject to Illinois' statewide Audit Report Review requirements. Terms of the Single Audit Act Amendments of 1996 (31 USC 7501-7507), Subpart F of 2 CFR Part 200, and the audit rules set forth under the Grant Accountability and Transparency Act Admin Rules shall apply (See 44 IL Admin Code 7000.90).
