A. Program Description

1. Notice of Funding Opportunity Intent

The Illinois Department of Commerce and Economic Opportunity (the "Department" or "DCEO") is issuing this Notice of Funding Opportunity ("NOFO") to offer grants to qualifying Illinois grocery stores for energy-efficient equipment upgrades**.**

2. Program History

The Equipment Upgrades program, along with the New Stores in Food Deserts program, is authorized by the Illinois Grocery Initiative through Public Act 103-0561. This is the third round of the Equipment Upgrades program, and the second to be offered on a rolling basis.

3. Program Description

The Illinois Grocery Initiative Equipment Upgrades Program, authorized by Public Act 103-0561, will provide grants for new energy-efficient equipment upgrades for existing independently-owned for-profit grocery stores, cooperative grocery stores, or not-for-profit grocery stores. Funds will reimburse grantees for costs to purchase and install new energy-efficient equipment.

While the Illinois Grocery Initiative is intended to reduce or eliminate the existence of "food deserts " in Illinois and prioritizes communities with limited access to fresh food, the Equipment Upgrades Program is not limited to establishments located in food deserts. These grants will facilitate energy-efficient equipment investment and sustainability for stores located in food deserts, areas that could become food deserts, and other areas that are underserved to a lesser degree.

Eligible costs will include investment in new refrigeration equipment, new HVAC equipment, and new lighting. Other costs, including investment in solar generation equipment, point of sale systems, and remodeling, are ineligible for this program.

4. Cost Sharing or Matching

Applicants are required to provide 25% of total project costs, representing a 1:3 match. These matching funds can come from any non-state sources such as local municipal funds, federal funds, or private investment (equity or debt). Such sources of funds shall be identified and documented in the application. The match must be provided and explained in the Uniform Budget and shall adhere to 2 CFR 200 Uniform Administrative Requirements, Costs Principles, and Audit Requirements for Federal Awards ("2 CFR 200"), the Grant Accountability and Transparency Act (30 ILCS 708/1 et seq.) ("GATA") and this NOFO. Verification of the availability of the match required must be submitted with the application package and those applications that do not provide support of the availability of the match will not be reviewed. In-kind contributions and expenditures incurred prior to receipt and acceptance of the Notice of State Award (NOSA) cannot be counted towards the matching requirement.

5. Allowable and Unallowable Activities
Grant funds can be used to purchase and install energy-efficient equipment in existing grocery stores.

6. Allowable and Unallowable Costs
The following expenditures will be eligible for reimbursement under this program, insofar the new equipment will result in energy efficiency improvements:

- Heating, ventilation and air conditioning (HVAC) equipment
- Refrigeration units and freezers
- Lighting systems
- Point of sale system upgrades necessary to accommodate SNAP and/or WIC purchases.

7. Prior Incurred Costs
Allowable costs incurred from the date of the NOSA acceptance through the period of performance start date are allowed to be charged to the grant as long as they meet the requirements specified in 2 CFR 200 Uniform Administrative Requirements, Costs Principles, and Audit Requirements for Federal Awards ("2 CFR 200"), the Grant Accountability and Transparency Act (30 ILCS 708/1 et seq.) ("GATA") and this NOFO.

Should the applicant be selected to receive an award, pre-award costs incurred prior to issuance of the NOSA are not eligible for reimbursement.

8. Payment Methodology
Grant funding will be provided on a reimbursement basis, as grantees submit paid invoices for expenditures consistent with the budget in the grant agreement. Upon receiving the NOSA, grantees may request that an advance of up to two months' worth of expenditures be incorporated into the grant agreement. Whether to include such an advance in the grant agreement will be determined on a case-by-case basis and at the sole discretion of the Department.

9. Relevant Program-Specific Rules and Regulations
This program is authorized by Public Act 103-0561 as a component of the Illinois Grocery Initiative codified at 20 ILCS 750. The administrative rules governing the program are found at 14 Ill. Adm. Code 645.

10. Performance Goals and Measures
Grantees will be required to submit performance data to the Department on a quarterly basis. Performance reporting will encompass both the implementation of projects supported by the grant and impacts on the community. Performance measures may include but will not necessarily be limited to:

- Project Milestones Completed
- Grocery Store Remains Open 1 year after project completion.

11. Other Information
Grantees will be expected to continue grocery operations at the project location for at least three years following project completion. DCEO may seek to claw back grant funds if the store closes before that time.

DCEO has contracted with Western Illinois University (WIU) and Chicago State University (CSU) to provide technical assistance services for Illinois Grocery Initiative applicants and grantees. Technical assistance can encompass project research and planning, but the providers cannot complete application documents for prospective applicants. Applicants desiring assistance in preparing applications may contact WIU or CSU directly.

B. Funding Information

This grant program is utilizing state funds appropriated by Public Act 104-0464. The total amount of funding expected to be awarded through this NOFO is $750,000. Awards will range from $25,000 to $250,000. The Department expects to make 3-6 awards through this NOFO.

The period of performance is expected to be Fall 2026 through Spring 2028.

1. Indirect Cost Rate

The grant will not compensate for indirect costs, overhead or administrative expenses associated with the execution of the program.

C. Eligibility Information

An entity must be registered in the Grant Accountability and Transparency Act (GATA) Grantee Portal (**https://grants.illinois.gov/portal/**) at the time of grant application.

The portal will verify that the entity:

- Has a valid FEIN number (**https://www.irs.gov/businesses/small-businesses-self-employed/get-an-employer-identification-number**)
- Has a current SAM.gov registration (**https://sam.gov**). SAM.gov registrations must be marked as "public" to allow the GATA Grantee Portal to expedite the review of the federal information
- Has a valid UEI number (**https://sam.gov**)
- Is not on the Federal Excluded Parties List (**https://sam.gov**)
- Is in Good Standing with the Illinois Secretary of State, as applicable (**https://www.ilsos.gov/departments/business_services/corp.html**)

Entities on the Illinois Stop Payment List and/or the Federal Excluded Parties List at time of application submission will not be considered for an award.

An automated email notification to the entity alerts them of "qualified" status or informs how to remediate a negative verification (e.g., not in good standing with the Secretary of State).

Currently, federal memo M-21-20 allows entities to apply for grant awards without a valid UEI number. The UEI number must be obtained prior to grant execution. The State of Illinois has adopted this guidance for the issuance of state awards also.

Pursuant to the policy of the Illinois Office of the Comptroller, to receive grant funds from the State of Illinois, a grantee must be considered a regarded entity by the IRS for federal income tax purposes. Disregarded entities will not be eligible to receive grant funds.

The Department complies with all applicable provisions of state and federal laws and regulations pertaining to nondiscrimination, sexual harassment and equal employment opportunity including, but not limited to: The Illinois Human Rights Act (775 ILCS 5/1-101 et seq.), The Public Works Employment Discrimination Act (775 ILCS 10/1 et seq.), The United States Civil Rights Act of 1964 (as amended) (42 USC 2000a-and 2000H-6), Section 504 of the Rehabilitation Act of 1973 (29 USC 794), The Americans with Disabilities Act of 1990 (42 USC 12101 et seq.), and The Age Discrimination Act (42 USC 6101 et seq.).

- Be registered in SAM.gov. SAM.gov registrations must be set to "public."
- Provide a valid UEI number in the GATA Grantee Portal registration.
- Continue to maintain an active SAM.gov registration with current information at all times during which it has an active Federal, Federal pass-through or State award. DCEO may not make a Federal pass-through or State award to an applicant until the applicant has complied with all applicable UEI and SAM requirements and, if an applicant has not fully complied with the requirements by the time DCEO is ready to make a Federal pass-through or State award, the DCEO may determine that the applicant is not qualified to receive a Federal pass-through or State award and use that determination as a basis for making a Federal pass-through or State award to another applicant.

2. Feedback

Applicants receiving an initial denial due to failure to meet Grant Accountability of Transparence Act or other eligibility requirements will have the opportunity to remedy such deficiencies and to be subsequently considered for an award. In addition, applicants receiving a denial due to a low merit review score will have a one-time opportunity to submit additional supporting documentation and receive a second review.

3. Review and Selection Process

Applications will be graded using the Merit Review Process and scored on the criteria specified in Section E.1. The Department will designate an Evaluation Committee to grade each application received for this funding opportunity. The final score of each Committee member will be calculated and an average of all scores will be the final applicant score. Grants will be awarded to applicants if they receive scores of 75 or higher until available funds are exhausted. The Department may depart from this general standard as needed to promote regional balance across the state. For example, the Department may opt to select a project scoring below 75 for funding if an area of great need would otherwise not receive an award.

The Merit Based Review process is subject to appeal per **https://dceo.illinois.gov/aboutdceo/grantopportunities/meritappreview.html**. However, competitive grant appeals are limited to the evaluation process. Evaluation scores may not be protested. Only the evaluation process is subject to appeal. The appeal must be submitted through the merit review appeal request form (**https://app.smartsheet.com/b/form/6444bed39ef140c589f002f53b9bc092**) within 14 calendar days after the date that the grant award notice has been published.

4. Anticipated Announcement and State Award Dates

After the application period is closed, the Department will conduct a merit review of eligible applications. Successful applicants will receive a Notice of State Award (NOSA) to initiate the grant agreement phase. During this phase, you will be contacted by a grant manager to develop a grant

agreement, which can be a months long process depending on complexity, cooperation, and conformity with all applicable federal and state laws.

The Department reserves the right to issue a reduced award, or not to issue any award.

F. Award Administration Information

1. State Award Notices

The Notice of State Award (NOSA) will specify the funding terms and specific conditions resulting from the pre-award risk assessments and the merit review process. The NOSA must be accepted in the GATA Portal by an authorized representative of the grantee organization. The NOSA is not an authorization to begin performance or incur costs.

2. Administrative and National Policy Requirements

Subrecipients and Subcontractors: Agreement(s) and budget(s) with subrecipients and subcontractors must be pre-approved by and on file with DCEO. Agreements can be submitted to DCEO when available. Subcontractors and subrecipients are subject to all applicable provisions of the Agreement(s) executed between DCEO and the grantee. The successful applicant shall retain sole responsibility for the performance of its subrecipient(s) and/or subcontractor(s).

Grant Uniform Requirements: The Grant Accountability and Transparency Act (30 ILCS 708/1 *et seq*.) (and its related administrative rules, 44 Ill. Admin. Code Part 7000), was enacted to increase the accountability and transparency in the use of grant funds from whatever source and to reduce administrative burdens on both State agencies and grantees by adopting federal guidance and regulations applicable to those grant funds; specifically, the Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards (2 CFR 200).

Procurement: Grantees will be required to adhere to methods of procurement per the Procurement Standards (2 CFR 200.317 – 2 CFR 200.327).

Business Enterprise Program: For grant awards of $250,000 or more, grantees will be required to comply with the Business Enterprise Program for Minorities, Females, and Persons with Disabilities Act (30 ILCS 575/0.01 *et seq*.), which establishes a goal for contracting with businesses that have been certified as owned and controlled by persons who are minority, female or who have disabilities. The Department will work with the grantees to ensure compliance prior to the establishment of the grant agreement as well as through the life of the grant.

Environmental Review Requirements: Capital grants will be reviewed to determine environmental review requirements. Based on the scope of the project, the grantees may be required to complete additional environmental approvals before a grant agreement can be initiated.

Illinois Works Jobs Program Act (30 ILCS 559/20-1 *et seq*.): For grants with an estimated total project cost of $500,000 or more, the grantee will be required to comply with the Illinois Works Apprenticeship Initiative (30 ILCS 559/20-20 to 20-25) and all applicable administrative rules. The “estimated total project cost” is a good faith approximation of the costs of an entire project being paid for in whole or in part by appropriated capital funds to construct a public work. The goal of the Illinois Apprenticeship Initiative is that apprentices will perform either 10% of the total labor hours actually worked in each prevailing wage classification or 10% of the estimated labor hours in each prevailing wage classification, whichever is less. Grantees will be permitted to seek from the Department a waiver or reduction of this goal in certain circumstances pursuant to 30 ILCS 559/20-20(b). The grantee must ensure compliance for the life of the

entire project, including during the term of the grant and after the term ends, if applicable, and will be required to report on and certify its compliance.

Prevailing Wage Act (820 ILCS 130/0.01 *et seq*.): Applicants that are awarded grants shall comply with all requirements of the Prevailing Wage Act, including but not limited to, inserting into all contracts for construction a stipulation to the effect that not less than the prevailing rate of wages as applicable to the project shall be paid to all laborers, workers, and mechanics performing work under the award and requiring all bonds of contractors to include a provision as will guarantee the faithful performance of such prevailing wage clause as provided by contract. Grantees will be required to report on Prevailing Wage Act compliance on a monthly basis.

Employment of Illinois Workers on Public Works Act (30 ILCS 570/0.01 et seq.): All grantees will be required to comply with the Employment of Illinois Workers on Public Works Act (30 ILCS 570/0.01 *et seq*.) (the "Act"), which provides that whenever there is a period of excessive unemployment in Illinois (as defined by the Act), if the Grantee is using Grant Funds for (1) constructing or building any public works, or (2) performing the clean-up and on-site disposal of hazardous waste for the State of Illinois or any political subdivision of the State, then the Grantee shall employ at least 90% Illinois laborers on such project. Illinois laborers refers to any person who has resided in Illinois for at least 30 days and intends to become or remain an Illinois resident. Grantees may receive an exception from this requirement by submitting a request and supporting documents certifying that Illinois laborers are either not available, or are incapable of performing the particular type of work involved. The certification must: (a) be submitted to the grant manager within the first quarter of the Award Term; (b) provide sufficient support that demonstrates the exception is met; (c) be signed by an authorized signatory of the Grantee; and (d) be approved by DCEO in consultation with the Illinois Department of Labor. In addition, every contractor on a public works project or improvement or hazardous waste clean-up and on-site disposal project in this State may place on such work no more than 3 (or 6 in the case of a hazardous waste clean-up and on-site disposal project) of the contractor's regularly employed non-resident executive and technical experts.

3. Reporting.

Periodic Performance Report (PPR) and Periodic Financial Report (PFR)

Grantees funded through this NOFO are required to submit in the format required by the Grantor, at least on a quarterly basis, the PPR and PFR electronically to their assigned grant manager. The first of such reports shall cover the first three months after the award begins. Pursuant to 2 CFR 200.328, Periodic Financial Reports shall be submitted no later than 30 calendar days following the period covered by the report. Pursuant to 2 CFR 200.329, Periodic Performance Reports shall be submitted no later than 30 calendar days following the period covered by the report. Any additional reporting requirements will be disclosed in the NOSA. Grantees are required within 45 calendar days following the end of the period of performance to submit a final closeout report in the format required by the Grantor (*See* 2 CFR 200.344).

Monitoring

Grantees funded through this NOFO are subject to fiscal and programmatic monitoring visits by the Department in accordance with 2 CFR 200.337. They must have an open-door policy allowing periodic visits by Department monitors to evaluate the progress of the project and provide documentation upon request of the monitor. Program staff will also maintain contact with participants and monitor progress and performance of the contracts. The Department may modify grants based on performance.

Audit

Grantees shall be subject to Illinois' statewide Audit Report Review requirements. Terms of the Single Audit Act Amendments of 1996 (31 USC 7501-7507), Subpart F of 2 CFR Part 200, and the audit rules

set forth under the Grant Accountability and Transparency Act Admin Rules shall apply (See 44 IL Admin Code 7000.90).
