Notice of Funding Opportunity

The Notice of Funding Opportunity (NOFO) is the uniform method that information is communicated to potential applicants. It should provide detailed information to the applicant so that they may assess if they are eligible for funding, able to successfully manage the public funds, and meet applicable program objectives and performance measures.

Evaluation & Scoring
Criteria
This Notice of Funding Opportunity is to encourage law enforcement agencies to submit applications to purchase
crash-resistant and weather-resistant laptop computers to install in their existing patrol units. Only agencies not
submitting crash reports electronically to the
Department are eligible to apply for this grant. Agencies currently in a contract with a third
party vendor and submitting crash reports electronically to the Department will not be eligible to apply for this grant.
Review & Selection Process
All grant applications are assigned to the Bureau of Data Collection (BDC) staff for reviewing and scoring. Then,
a second review will be completed by one of IDOT's program staff. The final score will be calculated by
averaging the first two reviewer's scores.

Reporting
The uniform Periodic Performance Report (PPR) and Periodic Financial Report (PFR) have been combined into IDOT's BoBS 2832 Reporting Form. Quarterly reporting will be required unless more frequent reporting is required pursuant to specific award conditions. Reporting will describe the expenditures of the funds and performance measures related thereto.
